

We are set for the Road Show. Save the date: **Monday July 20th** starting around 11:30am.

It will be held at Frazer Church on the second floor right down the hall from the WFRZ TV studio. Come around to the right of the Church sorta to the rear and look for Larry Bloomfield's high rise red sprint truck and signs.

If I have it right, there will be a door right there, go up the elevator and then it is right down the hall.

You always learn at SBE meetings and this yearly event is the best.

More details to come,
